Here to help you get there

The Halesworth Hoppa (Route 511) is operated by Halesworth Area Community Transport (HACT) connecting Halesworth and Holton, taking you right into the heart of town and serving key destinations such as the Co-op and railway station.

The service uses a 16-seater accessible minibus, driven by our friendly volunteer drivers. Morning journeys also include Bus Buddies who can help passengers on and off the bus, and provide information about transport connections and local events.

Passengers can pay a fare in cash or use a concessionary bus pass, and the Hoppa can be hailed anywhere along the route, where it is safe to stop.

Drivers may use their discretion to make short diversions from the route to assist passengers with reduced mobility.

If you require assistance or live slightly off route, please call the HACT office on **01986 875 900** by **09:15am on the day you wish to travel.**

For Saturday travel, please call by **11:00am on Friday**.
